A Seder, which Jews all over the world hold each year at Passover, tells the story of the Jewish liberation and Exodus from slavery in Egypt. Our multicultural Freedom Seder is a Passover Seder that also examines the status of Freedom in our modern world. This year, we are focusing on the "Four Freedoms":

On January 6, 1941, President Franklin D. Roosevelt gave a seminal speech in which he proposed four fundamental freedoms that people "everywhere in the world" ought to enjoy:

Freedom of speech and expression Freedom of worship Freedom from want Freedom from fear

At our Freedom Seder, we will ask: Have we achieved these four freedoms? What do different faith traditions tell us about these four freedoms? What can we do to realize this dream?

Join us for an inspiring evening! SPACE IS LIMITED.... RSVP by 3/15/12!

Co-sponsors: Jewish Community Relations Council, Peninsula Temple Sholom, First Presbyterian Church of Burlingame, Congregation Beth Am, Congregation Beth Jacob, Peninsula Sinai Congregation, Peninsula Temple Beth El
